Transfers

Our driver will be waiting outside the terminal with a name board. You can ask him to stop at the ATM on the way to the port to withdraw local currency, or you may exchange Euros on Nosy Komba. (Larger notes usually get a better exchange rate)

Baggage and Tipping

Tipping is always optional. At the airport, baggage porters often expect a small tip, but this is not compulsory.
At the lodge, guests usually choose to leave a tip at the end of their stay which is then shared among the team.

Final Leg of the Journey

You'll then head to the port, where our skipper will be waiting to collect you and whisk you across to paradise.
